

# Your “Not-so-Little” KNGN Growing Stronger Every Day

Most of the time the immense importance of KNGN goes understated. Never before in my short life have I been a part of something with so much potential, so much to offer, and with such an earth shattering fundamental idea as we have here at KNGN. And yes, I am talking about the same “Little KNGN” that you’re thinking. KNGN is so much more than just an AM Station.

## The ONLY Independent LCMS Radio Station in the Nation

We’re the only independent Lutheran station in the entire United States. We’re it. Why’s that important? Well, let me put it this way. If you could choose between a government where everything you say is heard and acted upon and taken very seriously OR a government that doesn’t really care, what would you choose? We are completely independent of any greater organization therefore freeing us to make our choices specifically with sound theology and our listeners in mind. We don’t go where the money leads us, we don’t follow earthly powers or politics, we simply preach, teach and confess the truth, the Gospel of Jesus Christ, in the most biblical manner possible. Nothing added, nothing subtracted.

## We’re the Working Man’s Lutheran Station

What other radio station do you know that gives you ultimate control and voice in its programming? Where else can you call and make a suggestion and have it taken seriously? What other station represents your interests, not those of a higher political body? What station gives you its word that the theology of scripture and of Christ stands above all else? At KNGN you have a voice, you have a share, and you have an opportunity. If you have an idea for a show, tell us. We might just pick it up. If you have a concern, tell us. We’ll deal with it immediately. If you have something you want to offer, tell us. We love your help! If you need to be connected to an LCMS pastor, tell us. We have an extensive network of LCMS Pastors that are ready to help at a moment’s notice. If you want to be a part of radio, tell us. We are here to serve you with the true teaching of the gospel of Jesus Christ.

## MUSIC

**Over the past several months, we've been getting some great feedback on our programming. Requests for additional musical content have been coming in. In the search for the best programming on the radio, we would like to pose the idea to you, our listeners. Would more musical programming be beneficial to KNGN Radio, or would the continued majority of talk programming be better?**

**Let us know your thoughts!**

## **An LCMS Programming Power House**

If that's not enough, we now have the largest LCMS repertoire of all Lutheran Stations. Yep, little ol' KNGN. And it gets better. Lord willing, here's where we're going. Brace yourself:

1. We will offer the most LCMS on-demand programming under one roof on the face of the planet.
2. KNGN.org will become an important hub for the distribution of LCMS programming across the entire synod.
3. Our apps will be jump off points for people everywhere to be able access the conglomeration of LCMS programming we have available.
4. We will offer distribution for programming syndication so that non-Lutheran Christians can hear the true Law and Gospel of Christ.
5. We will offer programs that will provide companion material that can be used as a resource in LCMS churches, for laypeople and pastors alike.
6. We will offer programs that teach and inform on subjects that will be used as training and instruction guides within LCMS Churches and organizations
7. We will be broadcasting 24 hours a day, 7 days a week nothing but LCMS Lutheran Programming
8. We will remain independent, operating only in the betterment of the Kingdom of Heaven, apart from political or financial pressure.
9. We will continue to create new LCMS Programming created here at KNGN.
10. We will continue to aid heavily in the creation of brand new LCMS programming produced here or abroad.

## **Coming Soon to KNGN.org**

2013 has been an incredible year for KNGN Radio and our website. We've been able, by the power and mercy of our Lord, to unveil a brand new streamlined website, new original programming on the air and on-demand downloadable programming on the website, as well as live Internet streaming! And, that's not all we have to offer!

Coming December 1, 2013, we will be unveiling new changes to our website. Among the changes to be made, will be the addition of an incredible Family Shield program Archive, Links to more of your favorite Lutheran programming and a staff page so you can get to know the people serving here at KNGN!

Coming soon, we will be broadcasting 24 hours a day, 7 days a week! Now, you'll be able to hear KNGN radio all day and night with our new online 24/7 channel. With this non-stop station, using the very same tried and true programming we air on our AM station, we will be able to better serve those working overnight and those across the globe! What a milestone for KNGN to move from daytime only programming for over 20 years to perpetual programming worldwide!

Coming January 1, 2014, you can download our first KNGN Radio app for your Apple or Android device! It's been in the works for quite some time and we've overcome great obstacles, but soon you'll be able to participate, learn, download, listen and more all from your phone or tablet!

11. We will continue to search the Internet and Synod to find any LCMS programs that are now being produced, but lack national and international distribution.
12. We will continue to air the LCMS staple programs like *The Lutheran Hour* and *Issues Etc.* so long as they continue to broadcast.

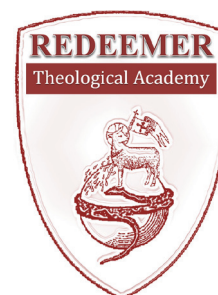

### We Need Your Help.

And the list goes on and on. Your little KNGN is growing up by leaps and bounds! As we draw nearer and nearer to many of these goals, with publicity and other obstacles in our way, we do hope that we can appeal to you to consider helping us out in our mission! If you can donate financially, we your need help. All organizations on the face of this earth have to deal with money, and we're no exception. We do, however, approach it a bit differently. We are a faith-based organization having full faith in the words and promises of Christ. And among the many promises, He tells us that He will do all things for the good of those who believe, and that He will provide all that we need as we go about our daily lives. With that in mind, we know that, when the need arises, the finances will be there. We do urge you to prayerfully consider donating to this growing and unique organization. The Lord provides by your generosity. Please help us!

As the days go by and the Lord moves us ever forward moment by moment, we continue to strive toward the mission He has given us: to broadcast the good news of the death and resurrection of our Lord and Savior Jesus Christ to all people on the face of this earth.
